

**A LD's BASIC COMPONENTS**

**A LD's MAGICKAL SYMBOLS:**

The **PENTAGRAM** or **HEART NUMBER** can be used to symbolise your birthday number. The Pentagram (Five-Pointed Star) and its esoteric principles were introduced in Chapters 2 and 3.

Knowing what the Pentagram represents and then relating its attributes to your birthday number or heart number, helps you to understand and to appreciate how it is *the* vital point in a LD in that it receives sensory, spiritual and cosmic, soul and earthly impressions
